Singer and Stephanie  
Bohn, of Wellness  
Institute of Nevada, for  
their Nutrition and  
Chiropractic Health  
Presentation on  
Thursday, January 22,  
2015 from 6:00 PM to  
8:00 PM.  
(Food and Drinks  
Provided)

The Presentation will be held at  
Fanny's Bistro, located at 80 N.

### Find Your New Normal

Regular Chiropractic care is an important part of obtaining and maintaining a higher level of physical wellbeing. It is well known that a properly aligned spine results in a healthier body. For all around health, however, what you put into your body is also extremely important.
